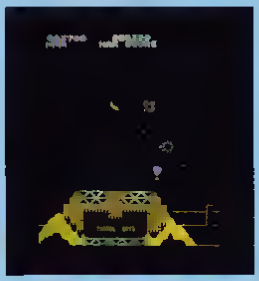
Loopine

CHANGE A GAME

As the Player begins his flight into Adventure Land, his airplane is quickly surrounded by hot air balloons. WATCH OUT! These seemingly innocent colorful objects mean destruction.



Immediately the Players flying skills are tested. The hot air balloons challenge and engage the Player in a fierce dogfight. The Player must loop his plane to avoid and destroy the swirling balloons.

As the Player continues his journey into Adventure Land he encounters the Maze Tunnel. Now the Player must guide and loop his airplane through the labyrinth with precision movements.
